CLASSIC SHEEN

CODE:

TCS

Description:

A high quality acrylic emulsion with a low sheen finish. For internal and external use where a high quality sheen finish is required.

Product Benefits:

Easy to wipe clean. Superior coverage and quality. Quick drying; allowing 2 coats to be applied in one day. Low odour. Non-yellowing white. Equipment easily cleaned in water.

SURFACE PREPARATION:

Surface to be painted must be thoroughly clean, dry and free from foreign contaminants.

APPLICATION:

Ready to use. Stir thoroughly with flat paddle before use. Brush, roller or airless spray application. Apply 2 coats. Thinning not normally necessary. Clean up with water.

TECHNICAL DATA:

SG:	1.22 +/- 0.05
Viscosity:	110 - 115 KU
Drying Time: (T)	1 hour
@ 25°C (H):	4 hours
Overcoating:	2 hours
Solid Mass:	37 - 40%
Gloss Level @ 85°:	12 - 14%
Spread rate:	Approx. 8m ² /Lt depending on surface porosity
Colour Range:	White, Pastel, Deep and Transparent Bases
Pack Sizes:	1Lt, 5Lt, 20Lt
Scrubs:	> 10 000
